## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Seiad Elementary School is a remote, isolated rural K-8 school on the Klamath River. The current enrollment as of January 8th, 2024 is 13 students. The staff, students, and community are close and cohesive, accentuating high academic and behavioral expectations. The school building has more than ample size for the number of students and is situated on seven scenic acres. Current standard based texts, material, and supplies are sufficient for promoting a quality education for the students.

The goal of Seiad Elementary is to meet the individual needs of each child every day. Due to the multi-graded classroom, students are easily integrated into the appropriate academic situation. Small group settings further facilitate individualized instruction. The instructional team utilizes Positive Behavior Interventions and Supports (PBIS) to support successful student outcomes. Staff and students look forward to school each day.

The instructional staff consists of one highly qualified teacher and two part-time instructional aide. Additional staff include a Chief Business Officer, part-time cook, custodian and maintenance person. The staff is positive, hard-working, and has a close relationship with parents and students.

### VISION STATEMENT

All students will learn to use their minds well and be prepared for:

- Responsible citizenship
- Further learning
- Productive employment in our modern economy
- Taking responsibility for learning, decisions and actions

Seiad Elementary School is committed to:

- Helping each child realize his or her full potential
- Stimulating intellectual curiosity
- Welcoming diversity
- Fostering constant exploration of change as part of our culture
- Creating a learning community

### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

## School Facility Conditions and Planned Improvements

Our school facility was inspected October 6, 2023 by Marsha Jackson, CBO and Devin Jackson, Maintenance, who did a walk through evaluation and found the facility to be in good condition and no upgrades/repairs were required. These findings will be discussed with the faculty at our next scheduled staff meeting.

Seiad Elementary employs a part-time building custodian as well as a part-time grounds keeper to ensure classrooms, restrooms and campus grounds are kept clean and safe. All our facilities are in good working order.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

**Statewide Assessments**

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

**College and Career Ready**

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

<b>Mathematics</b> (grades 3-8 and 11)	--	--	--	--	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Parents/guardians are always encouraged to participate in their children's learning, whether as volunteers in the classroom or as field trip volunteers. Parents/guardians are a valued part of our learning community, and all parents/guardians are invited to actively participate in our Parent Site Council which meets during each trimester to discuss topics pertaining to their children.

Seiad Elementary parent advisory committee which includes staff, parent/guardians, and community representatives. Staff, parents/guardians, and community members collaborate on activities, volunteer opportunities, holiday celebrations, safety plans, and other needs or goals. Seiad Elementary sends individual student assessment results to their respective parent/guardian(s). Interpretation of assessment results is provided during parent conferences. Each parent/guardian is invited to attend two parent conferences each year where their child's teacher discusses student progress along with assessment results.

## 2023-24 School Safety Plan

Our School Safety Plan will be reviewed and discussed with the school faculty in February 2024.

The district oversees that all classrooms and facilities are well maintained. We believe it is of supreme importance to have a safe and clean environment for all students, staff and volunteers. We have a part-time building custodian as well as a part-time grounds keeper to ensure classrooms, restrooms and campus grounds are kept clean, safe, and in good working order.

The school is in compliance with all laws, rules and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring students and staff are safe during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. The school safety plan is reviewed annually.

## Fiscal Year 2022-23 Types of Services Funded

We spend an average of \$33,668 to educate each student. The figures shown in the table above reflect the direct cost of educational services per Average Daily Attendance (ADA), excluding food services, facilities acquisition and construction and certain other expenditures. These calculations are required by law annually and are compared with other districts statewide. In addition to our general fund state funding, we receive state and federal categorical funding for special programs, which include the following categorical, special education and support programs:

- SIP (School Improvement Program)
- EIA (Economic Impact Aid)
- TUPE (Tobacco Use Prevention Education)
- Title II, Teacher Quality
- Title IV, Safe and Drug Free Schools and Communities
- Title V, School Facility Construction
- Title VI, Rural Educational Accountability Program

## Professional Development

Each Friday, school is dismissed, an hour early, at 2:00 p.m., giving staff time to discuss curriculum, student achievement, and current educational issues or concerns. In addition, the district offers certificated staff 2-3 days annually to participate in applicable professional growth workshops in curriculum development, teaching strategies, and best practices. Certificated staff are also encouraged to visit other schools, observing classroom teachers in diverse settings and environments. Classified staff are also encouraged to attend applicable workshops and training to enhance their job-related responsibilities. Staff member training with new technology is also provided.

This table displays the number of school days dedicated to staff development and continuous improvement.
